

PIGS MEET PANTHERS

ARRIVING IN SAN FRANCISCO

The fascist FBI pigs have instituted a new tactic of harassment of members of the Revolutionary Vanguard. Now, they have become a welcoming service at the airports. For a long time, we have been aware of pigs watching us at airports, bus and train terminals, but now, we must endure a search and interrogation before we are allowed to continue on our business.

Recently, two members of the Harlem Chapter of the Black Panther Party arrived at San Francisco International Airport and

were met with such a reception. Sister Charleen Lane and Brother Henry Mitchell, although they are two of the few members of the Party who are not being sought by the pigs, were forced to submit to the same treatment meted out to fugitives from their so called "justice". They were met, as they stepped off the passageway from the plane to the terminal by no less than 10 assorted FBI and local pigs. They were hussled into a previously prepared "interrogation room" while other travellers and

friends looked on in amazement. They were searched, forced to produce ID, and asked many personal questions by FBI pigs as ugly fascist San Francisco pigs stood by wiping dripping saliva from their mouths with one and lovingly caressing .45's and .38's with the other hand. The only excuse given for these abuses was that Brother Mitch "unfortunately" looks like someone they are looking for.

The week before, another brother from New York, Zayd-Malik Shakur, was greeted in San Fran-

cisco the same way. He, too, was told that he looked like someone they were looking for. Despite the fact that the two brothers, Mitch and Zayd, look nothing alike, we are supposed to believe that, somehow, they both fit the description of this fugitive. Bulls--t, m-----f-----s! We know that Tricky Dick and Hop-pin' Hoover have instructed you to keep the "heat" on the Panthers. We know that they are moving so fast that often, as in Chicago, local pigs are not allowed to participate for fear of messing up. (local pigs

are so stupid).

But we also know that the reason the pigs vamp on us so hard is because we have drawn a clear line of demarcation between us and them and that when the pigs vamp on us it is a clear indication that we are moving in the direction of our liberation.
